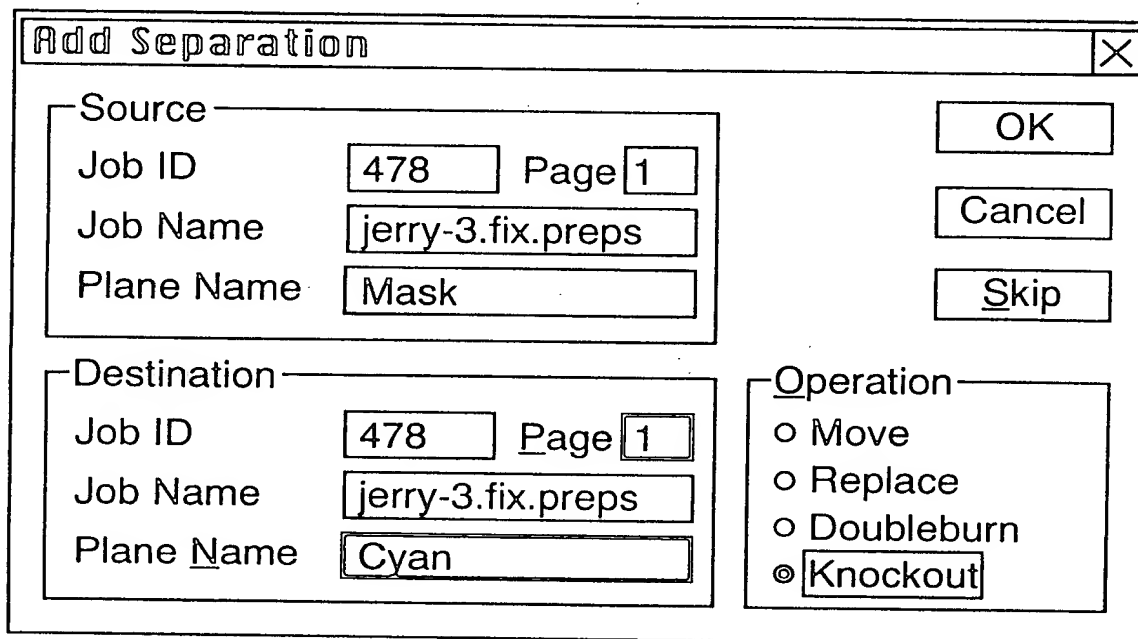

FIG. 14H is a screenshot of a software dialog box titled "Add Separation". The dialog box has a close button (X) in the top right corner. It is divided into three main sections: "Source", "Destination", and "Operation".

The "Source" section contains three input fields: "Job ID" with the value "478", "Page" with the value "1", "Job Name" with the value "jerry-3.fix.preps", and "Plane Name" with the value "Mask".

The "Destination" section contains three input fields: "Job ID" with the value "478", "Page" with the value "1", "Job Name" with the value "jerry-3.fix.preps", and "Plane Name" with the value "Cyan".

The "Operation" section contains four radio button options: "Move", "Replace", "Doubleburn", and "Knockout". The "Knockout" option is selected.

On the right side of the dialog box, there are three buttons: "OK", "Cancel", and "Skip".
